**CONNECTING YOUR DEVICE**

**EN - CONNECTING YOUR DEVICE**

**Connecting to PS4™ System :**

- 1 ) Insert the USB Dongle into a USB port on the front of the PS4™ Console.
- 2 ) PRESS & HOLD the HEX Button on the headset until the LED flashes alternate Blue and Red. The Headset will now connect to the USB Dongle.
- 3 ) On the Main Menu of the PS4™ go to “Settings” > “Audio Devices”. “Input Device” and “Output Device” should be displayed as “USB Headset” (Giateck Bluetooth Dongle)
- 4 ) There are 2 options available; “All Audio” or “Only Chat Sound”. Select either option depending on your preference and press “X” to confirm selection.
- 5 ) Adjust Mic sensitivity as desired in “Settings” > “Audio Devices”
- 6 ) Your Headset is now Ready for use.

**Connecting to other Bluetooth®\* compatible devices such as iPhone, Android phones/tablets, Mac, iPad :**

\* To connect to other devices the USB Dongle is not required.

- 1 ) PRESS & HOLD the HEX Button on the headset until the LED flashes alternate Blue and Red. The Headset will now connect to the device.
- 2 ) Search and connect to “Giateck LP1”
- 3 )If prompted, enter the password as “0000”
- 4 ) For detailed connection instructions please refer to the user guide of the device you wish to connect the LP1 Headset with.

**FR - BRANCHER VOTRE APPAREIL**

**Brancher l'appareil sur un système PS4™ :**

- 1 ) Insérez la clé USB dans l'un des ports USB situés à l'avant de le système PS4™.
- 2 ) APPUYEZ ET MAINTENEZ LE BOUTON HEX situé sur le casque ENFONCÉ jusqu'à ce que le voyant DEL se mette à clignoter en alternant le bleu et le rouge. Le casque se connectera ensuite à la clé USB.
- 3 ) Dans le menu principal de le système PS4™, allez à « Paramètres » > « Périphériques audio ». « Casque USB » (Clé Bluetooth Giateck) devrait apparaître dans « Périphérique d'entrée » et « Périphérique de sortie »
- 4 ) Deux options sont disponibles : « Tout audio » et « Audio du chat ». Sélectionnez l'option de votre choix, et appuyez sur « X » pour confirmer.
- 5 ) Réglez la sensibilité du micro dans « Paramètres » > « Périphériques audio ».
- 6 ) Votre casque est désormais prêt à l'emploi.

**Connecter votre casque à d'autres appareils compatibles Bluetooth®\* comme les iPhone, les téléphones et tablettes Android, les Mac et les iPad :**

\* La clé USB n'est pas requise pour connecter le casque à d'autres appareils.

- 1 ) APPUYEZ ET MAINTENEZ LE BOUTON HEX situé sur le casque ENFONCÉ jusqu'à ce que le voyant DEL se mette à clignoter en alternant le bleu et le rouge. Le casque va alors se connecter à l'appareil.
- 2 ) Recherchez et connectez-vous à « Giateck LP1 ».
- 3 ) Le cas échéant, saisissez le mot de passe « 0000 ».
- 4 ) Pour recevoir des instructions détaillées sur le branchement et la connexion, veuillez vous référer au manuel de l'utilisateur de l'appareil sur lequel vous souhaitez brancher le casque LP1.

to operate the equipment. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: (1) Reorient or relocate the receiving antenna. (2) Increase the separation between the equipment and receiver. (3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. (4) Consult the dealer for an experienced radio/TV technician for help. This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End user must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

**FR**

- N'entreposez pas dans des endroits à températures extrêmement basses (0 °C) ou extrêmement élevées (40 °C). Évitez les sources de chaleur ou les expositions directes à la lumière du soleil. Faites attention à ne pas salir ou mouiller votre casque, cela pourrait l'endommager.
- Ne pas démonter l'appareil, cela annulerait la garantie et peut provoquer un choc électrique ou endommager les composants internes.
- Chargez le produit uniquement avec le chargeur fourni. Évitez de charger le produit seul.
- Vérifiez les réglementations de votre pays concernant l'utilisation d'un casque au volant.
- Une écoute prolongée à haut volume peut provoquer une perte d'audition et/ou des dommages irréversibles de l'ouïe. Veillez à toujours régler le volume à un niveau modéré et évitez l'exposition prolongée à des niveaux sonores élevés.
- Ce produit ne doit pas être jeté dans les ordures ménagères. Si vous souhaitez le jeter, veuillez-vous rendre à un centre de collecte des déchets électroniques.
- Ce produit est couvert par une garantie d'un (1) an. Pour connaître toutes les modalités et conditions, ou pour toute assistance technique, rendez-vous ici : [giateck.com/contact-support](http://giateck.com/contact-support)

**ES - CONEXIÓN DEL DISPOSITIVO**

**Conexión al sistema PS4™:**

- 1 ) Inserta la llave USB en un puerto USB del frontal del sistema PS4™.
- 2 ) MANTÉN PULSADO el botón HEX del auricular hasta que el LED parpadee alternativamente en rojo y azul. A continuación, el auricular se conectará a la llave USB.
- 3 ) En el menú principal del sistema PS4™, dirígete a “Configuración” > “Dispositivos de audio”. “Dispositivo de entrada” y “Dispositivo de salida” deben aparecer como “Auricular USB” (Giateck Bluetooth Dongle)
- 4 ) Hay disponibles 2 opciones: “Todo el audio” o “Solo sonido de chat”. Selecciona la opción que prefieras y pulsa “X” para confirmar la selección.
- 5 ) Ajusta la sensibilidad del micrófono como desees en “Configuración” > “Dispositivos de audio”
- 6 ) El auricular ya está listo para su uso.

**Conexión a otros dispositivos compatibles con Bluetooth®, como iPhone, teléfonos o tabletas Android, Mac, iPad:**

\*Para conectar a otros dispositivos, la llave USB no es necesaria.

- 1 ) MANTÉN PULSADO el botón HEX del auricular hasta que el LED parpadee alternativamente en rojo y azul. A continuación, el auricular se conectará al dispositivo.
- 2 ) Busca “Giateck LP1” y conéctate a él.
- 3 ) Si se te solicita, escribe la contraseña “0000”.
- 4 ) Para obtener instrucciones de conexión detalladas, consulta la guía del usuario del dispositivo con el que desees conectar el auricular con micrófono LP1.

**DE - GERÄTE VERBINDEN**

**Verbindung mit einer PS4™-System :**

- 1 ) USB-Dongle an einem USB-Anschluss auf der Vorderseite der PS4™-System einstecken.
- 2 ) HEX-TASTE am Headset GEDRÜCKT HALTEN, bis die LED abwechselnd rot und blau blinkt. Das Headset wird sich nun mit dem USB-Dongle verbinden.
- 3 ) Im Hauptmenü der PS4™-System zu „Einstellungen” > „Audiogeräte” navigieren. Sowohl unter „Eingabegerät” als auch unter „Ausgabegerät” sollte „USB-Headset” (Giateck Bluetooth Dongle) angezeigt werden.
- 4 ) Folgende 2 Optionen stehen zur Verfügung: „Alle Audiokanäle” oder „Nur Sprachchat”. Die Option kann frei nach Belieben gewählt und mit der „X”-Taste bestätigt werden.
- 5 ) Die Empfindlichkeit des Mikrofons kann unter „Einstellungen” > „Audiogeräte” angepasst werden.
- 6 ) Das Headset kann nun verwendet werden.

**Verbindung mit anderen Bluetooth®-Geräten\* wie iPhone, Android-Smartphones/Tablets, Mac, iPad:**

\* Für die Verbindung mit anderen Geräten wird der USB-Dongle nicht benötigt.

- 1 ) HEX-TASTE am Headset GEDRÜCKT HALTEN, bis die LED abwechselnd rot und blau blinkt. Das Headset wird sich nun mit dem Gerät verbinden.
- 2 ) Nach „Giateck LP1” suchen und Verbindung herstellen.
- 3 ) Wenn ein Passwort verlangt wird, kann die Kombination „0000” verwendet werden.
- 4 ) Detaillierte Anweisungen zur Verbindung eines Geräts mit dem LP1 Headset können dem Benutzerhandbuch des entsprechenden Geräts entnommen werden.

das Gerät nicht auf, wenn es unbeaufsichtigt ist.

- Achten Sie auch die Gesetze vor Ort was die Benutzung eines Headsets beim Fahren angeht.
- Eine hohe Lautstärke kann zu zeitweiligen oder dauerhaften Hörschäden führen. Stellen Sie Ihre Lautstärke immer auf eine angemessene Stufe und vermeiden Sie zu hohe Lautstärken über einen längeren Zeitraum.
- Dieses Produkt gehört NICHT in den Haushaltsmüll. Bitte entsorgen Sie es an einer Stelle für elektronischen Abfall.

*Australia only.*  
This product is manufactured by GoodBetterBest ("GBB") of the United Kingdom. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. GBB warrants to the original consumer purchaser that the product will be free of defects in materials and/or workmanship for the length of time specified in the warranty period from the date of purchase, this being 1 year, as set forth at : [www.giateck.com/contact-support](http://www.giateck.com/contact-support) If a defect covered by this warranty occurs during the warranty period, GoodBetterBest at its option will repair or replace, at no charge, any part that GoodBetterBest determines to be defective. To make a warranty claim please contact GBB's Australian distributor, Turn Left Distribution at : [helpdesk@turnleft.biz](mailto:helpdesk@turnleft.biz) Turn Left Distribution is responsible for the servicing of warranty claims for purchases made in Australia. The purchaser will be required to bear the expense of sending the product back to the Australian distributor to claim the warranty. If you are unable to satisfactorily resolve your issue with the retailer, please contact GBB through its website at : [www.giateck.com/contact-support](http://www.giateck.com/contact-support) or alternatively, you can contact GBB directly at: GBB Limited, 103 Devonshire Business Centre, Works Road, Letworth, S66 1GJ, United Kingdom. This warranty shall not apply if the product has been damaged by abuse, misuse, negligence, accident, modification, tampering or by any causes unrelated to defective materials and/or workmanship. Repair or replacement as provided under this warranty is GoodBetterBest exclusive prerogative. In order to obtain warranty services under certain circumstances (particularly when the retailer will not accept the return of the defective product), you may be required by GBB to return the product directly to GBB in the United Kingdom for inspection and evaluation, along with evidence of purchase (including the price paid and the date the item was purchased), for a determination of whether the warranty applies. If you have been asked by GBB to return the product to GBB in the United Kingdom, and the product is defective and covered under the applicable warranty period, GBB shall provide the appropriate warranty services. If the warranty does not apply (either due to misuse, damage, negligence, etc., or because the warranty period has expired), you may be charged to return the product to you (if you instruct us to do so). Any applicable implied warranties, including warranties of merchantability and fitness for a particular purpose are hereby limited to the length of time specified in the warranty periods below, beginning from the date of purchase and are subject to the conditions set forth in this limited warranty. In no event shall GoodBetterBest be accountable for incidental damages resulting from the breach of any express or implied warranties. You may have different or additional legal rights, including longer warranty periods, which vary from jurisdiction to jurisdiction. Some jurisdictions do not allow certain limitations on how long an implied warranty lasts, so the above limitations may not apply to you. In addition, consumers have legal rights under applicable national legislation governing the sale of consumer goods. Such rights are not affected by the warranties set forth herein, except to the extent allowed by law.
